

Penzion Usedlost pod vinohrady

Title: Penzion Usedlost pod vinohrady

The Pension, built in 2007-8 in peasant and viticultural style, is situated in the heart of the Lednice - Valtice area, in the village of Hlohovec. Our pension overlooks a very beautiful panorama of the surrounding landscape, including the Lednice lake system and the Palava Hills. We offer our clients seven luxurious apartments. Each apartment is tailored for two to four persons (a folding bed can be added for a child). Apartments consist of a bedroom and living-room, bath-room and kitchen. Six apartments are furnished with bath & shower, one apartment is furnished with shower only. There are also large balconies attached to two apartments. A cot is a matter of course in our pension (usually in apartments C and D). All apartments are air-conditioned and equipped with LCD TV, DVD player, Radio with CD, Hair dryer and Internet Access. All the apartments are furnished also with a fridge, microwave and

Description: large kitchen corner with glass-ceramics hotplates. The Pension has an indoor swimming pool (6x3m) with counter-flow, glassed-in winter garden, sauna (open from season 2011), cycle store and a common room with tile stove, where you can gather with friends and family. The room is full of historical photos, agricultural tools, traditional costumes and many other decorations of the last two centuries. You can hold training sessions, seminars, briefings and various gatherings in the common room (capacity for 60 persons). As a part of the pension there is a large car-park (including of seven garages) and extensive garden where one can relax under a pergola with grill. For your kids there is a small playground. There is an outbuilding in the garden with domestic animals like rabbits, chickens, horses and pony (under construction)! Our pension is tailored as for a family recreation or for an individual stay, agricultural tourism and training seminars.
