

National wine centre

Title:	National wine centre
Description:	National wine centre is located in a renovated historic premises of the castle of Valtice. Lecture halls on the ground floor offer appropriate lecture rooms for presentations and corporate training. Professionally equipped tasting room is used not only for selection of the best Czech and Moravian wines, which are annually awarded title of "Wine Salon of the Czech Republic", but also for other prestigious wine competitions held in the Czech Republic. In the cellars of the castle tasting exposition of Wine Salon of the Czech Republic is opened to public. Here visitors can taste and purchase the best hundred wines, which won this prestigious award and was selected in the top national wine competition in the Czech Republic.
